

Special-shape Microfoil® Balloons

Balloons for Point-of-Purchase

The power of point-of-purchase displays is increased with the use of special-shape Microfoil balloons. They add color and motion to any display to boost brand recognition and increase sales without the loss of floor space.

Contact Customer Service for price quotes. Pricing will depend on the number of colors, if balloons are printed on one or two sides, and the overall size and shape of the balloon. **Normal minimum: 5,000 balloons per shape and per design.**
